**Presidents' Report – February 2013**

Hi ladies,

I have been summoned to Mexico, as apparently there are two ladies who want to start a satellite group down there. As your president I feel I must investigate all possibilities!

The quilt show will soon be here. Are you working on your entries for the challenge and or the judged portion? Also, do think about taking one of the classes, either with Hilary Rice or Sharon Pederson. We need more in Sharon's class for it to be a go.

I will have the President's Challenge blocks ready for voting on at the February Resource Day meeting. Winners will be announced after the guest presentation.

I will have a full summary on Mexican quilting when I return. See you in February

## **Sew a Quarter Inch Seam Allowance!**

**Submitted by Jeanette Lucas**

Bibliography: 1. web site <http://quilting.about.com>

2. *Better Homes and Gardens Complete Guide to Quilting* Meredith Corporation 2002,  
chapter 7, pages 7-1 to 7-3

### **Why is this Important?**

*An accurate ¼ inch seam allowance is essential to ensure that pieced blocks match up properly, and to ensure consistency in piecing. It can be a problem when joining blocks with different numbers of seams.*

### **Test Your Seam Allowance**

*Cut 3 strips of fabric, 2 dark and one light coloured, each 2"x 4-6". Have extra strips nearby in case you need more! Using your standard method, (quarter-inch foot, etc.) sew the strips together with the light one in the center. Press, and measure the strip set. The center strip should measure 1 ½ "wide, through its entire length, the side strips should be 1 ¾ "wide. If the dimensions of your sample are accurate, Congratulations!! If your sample is a little off, go on to....*

### **Tweaking Your Quarter -Inch Seam Allowance**

*Was your unit thoroughly pressed? Width is easily lost if each seam is not completely flat.*

*Did one layer shift during stitching? It may help to press the layers together prior to sewing, or use pins as needed.*

*Are the seams irregular, not the same width throughout? Sewing more slowly will help increase accuracy. Set your machine to half speed if you have that feature.*

*Are the seam allowances wider than ¼"? Change the needle position if possible. Move the needle a 'notch' to the right to narrow the seam allowance; a 'notch' to the left if you need to increase it. Then make another sample and measure again.*

### **Make a Seam Allowance Guide**

*You can purchase a guide for your machine or you can make one from household materials, such as moleskin, masking tape, or mounting tape. Positioning your guide is the key here. With the presser foot up, place a rotary ruler under the needle, positioning the first ¼ " mark just below the needle's tip. Be sure that your ruler is straight on the bed of your machine, and then mark its edge with a short piece of masking tape. Using the edge of the masking tape as a guide, make another sample and measure again! If the test is accurate, stack additional layers of masking tape on top of the first piece, or use moleskin or mounting tape.*

### **More Hints**

*If you use more than one sewing machine, you would be wise to check both to ensure the quarter -inch foot yields the same result on both machines.*

*Many patterns suggest a SCANT quarter-inch seam; this is about the width of the needle less than ¼".*

*The weight of the thread that is used in piecing also makes a difference in the dimensions of the finished piece.*

## **Your Quilt Show needs you!**

There will be many opportunities for volunteering at the Quilt Show in May. Sign-up sheets will be available at the February through April meetings. Please take a minute to put your name down for the time slots you are able to help. Most shifts during show hours are only two hours in length – allowing you to sign up for more than one job and still have time to visit the show or take a class yourself.

The following is a short description of the different jobs to help you make choices. Please ask anyone from the Quilt Show committee if you need more information.

### **Poster Crew:**

Volunteers are needed to hang information posters in different locales on the coast. These posters will also need to be removed after the show

### **Set Up Frames and Tables:**

Volunteers needed to set up the venue. This includes unloading quilt frames from trucks, set up the frames and tables.

### **Registration Runners:**

Assisting the registration desk to accept quilts and take them to appropriate areas for judging and hanging.

### **Hanging Quilts:**

Once the show is over assistance is needed to take down the display and organize the quilts for return to their owners.

### **White Glove Hostess:**

During show hours volunteers will be in the area monitoring visitors, answering questions and making sure the quilts are not touched by bare hands. The hostesses will be wearing white gloves and will offer to hold the quilt closer for inspection and to show the back of quilt if asked.

### **Tea Room Hostess:**

A tea room will be set up on the mezzanine level. Hostesses will assist in preparation of light snacks, serving customers and cleaning up. The first shift each day will help set up the tables and the last shift will assist in cleanup .

## **SCQG 2013 QUILT SHOW CHALLENGE**

You are invited to enter a finished quilt to meet the following challenge:

To create a quilt that depicts one or all of the scenes that make the Sunshine Coast special to you. This is wide open to your individual creativity and imagination whether you are a “new” or “seasoned” quilter, BUT you must meet the following criteria:

Finished Size: 10” X 24” (Can be horizontal or vertical) with a sleeve on the back for hanging.

The quilt **must include a sun somewhere on it**, any size.

It must include a traditional block of your choice, any size.

That’s it!!

There will be two categories. One for those who use a computerized embroidery machine to create their vision and one for hand-embroidered or machine stitched embellishments.

You may use ONE fabric photo in your design no larger than 5” X 7”, but this may not include the sun nor the traditional block.

The winners in both categories will be voted on by attendees at our 2013 SCQG Quilt Show.

## **HERITAGE QUILTS AT QUILT SHOW**

At our last Quilt Show we had an interesting exhibit of Heritage Quilts, which was well received. We would like to arrange a similar exhibit at this year's show. Last time 20 exhibitors (with 27 quilts) took part and we will be pleased to show those quilts again. Also, any other members who own a Heritage Quilt, or who are able to borrow such a quilt from a family member for the show, are welcome to participate.

At this point, please e-mail any preliminary details with a description of your quilt(s), approximate age, etc. I still have all the entry forms from the 2011 show, so for any repeat exhibitors, you can just tell me you will be showing the same quilts as last time and give me just a brief description. The official HQ Registration forms for 2013 will be available on February & March Resource Days.

Thank you. Sonja Randell -- [sonja\\_r@eastlink.ca](mailto:sonja_r@eastlink.ca)

*Love is a quilt—a quilt is love...  
Both love and a quilt should be:  
Soft enough to comfort you  
Bright enough to cheer you  
Generous enough to enfold you  
Light enough to let you move freely  
Strong enough to withstand adversity  
Durable enough to last a lifetime.  
And given gladly, from the heart*

**From the Editor:** Welcome to Kim Fenton and her Unwind Knit and Fibre Lounge. Kim sent this email message to introduce herself and her business to the SCQG.

Hi! Thanks for allowing me a few lines in your next newsletter to tell your folks about new items in the store.

Unwind Knit and Fibre Lounge is pleased to offer embellishments for Fibre Artists. Yarns, ribbons and more in small packages of 15m, that are the perfect "bit" you are looking for. We also carry over 50 colours of Corriedale, Merino and silk blended slivers, including beautiful merino locks, perfect for fibre arts of all kinds - felting, sewing, spinning, jewellery making and more. I look forward to welcoming members of the Quilt Guild in the store!

Warmly,  
Kim Fenton--
