President's Letter – November 2011

As the weather becomes colder and the clocks change we can definitely feel Winter approaching.

Gardens put to bed and that means.....More Quilting time - Whoopee!

Christmas will be here before we know it, so now is the time for those Christmas projects if you haven't already started (like me). Warm flannel quilts are so warm and cosy. That is to be my next project.

The Halfmoon Crazies have just had their fall retreat at Camp Olave. What a glorious week we had. Good weather, good company and good food. We had a mini-quilt bee with the fabrics used from the "Nine Patch" at the Quilt Show. What a wonderful team effort, resulting in two beautiful quilt tops put together for the Comfort Society.

We all belong to a wonderful Guild, so let's all work together to carry out our mission. (See Mission Statement on the next page).

I look forward to seeing you all at November Resource Day.

Take care my lovelies,

Fay

- The purpose of the Sunshine Coast Quilters' Guild is to promote the joy of quilting to the Sunshine Coast, and to provide for the community's enjoyment, through quilt shows, classes, demonstrations and displays.
- To provide an umbrella guild for the various satellite quilting groups offering Resource Days which include workshops, demonstrations, education and guest speakers.
- The Guild shall be a non-profit society.
- The Guild's mission is to provide members with ongoing education, opportunities to share quilting experiences and knowledge, and an opportunity to provide community service. The smaller quilting groups on the coast also provide a strong focus for the many quilters with regard to these goals. Maximizing connections between the Guild and the small groups helps share some of the energy and enthusiasm.
