Presidents' Report – October 2013

Greetings Members,

Thank you all for your support and
participation at our September meeting.

As we move through October we have to
prepare for “Hands Across the Water”, which in
2013 is being hosted by Comox Valley
Schoolhouse Quilters. In 2014 our own Sunshine
Coast Quilter's Guild will be the hosts.

With this in mind, and once we have heard
feedback from those attending the 2013 event, we
will need to set up a committee to plan for our
"Party".

Another event in October is our Retreat. I
am looking forward to this get-away and hope that
you are too.

Keep on quilting and invite your friends to
come to our next Resource Day meeting.

See you on November 2nd!

Jeannette Lucas

October Program Event

Notes from your Program Committee...

Bending the Rainbow by Judy Villett

Judy's work combines many techniques. Her inspiration comes from the play of light and dark, the power of colour and the textures of the world she walks in. She will guide us through an interactive exercise on "Bending the Rainbow".

*Please come dressed from head to toe in your favourite colour and be prepared to play with your colour and those of your friends and fellow quilters.

An optional kit of fabrics will be offered at \$5.

STASH BUSTER WORKSHOP

When: Saturday, Nov. 16, 2013 - from 10 a.m. to 4 p.m.

Where: The classroom at Fibre Expressions in Sechelt (Christine's)

Who: The instructors are Anne Selder, Anne Willis, and Judi Wilson

What: This workshop is a wonderful opportunity to use up some of your stash. We'll be making blocks that can easily be turned into placemats, a table runner, wall hanging, or even a full-size quilt. The blocks are fun and easy to make.

*See a sample at the Program Committee table at Resource Day.

How much: \$15 which will include a pattern

SURVEY

Thanks to everyone who participated in the survey handed out at the last meeting. It provided a good indication of what the Guild members want for classes, presentations and other quilt-related activities.

We received input from only 50% of our members. For those of you who did not have time to complete the survey, or were unable to attend last month's meeting, a copy of the survey is included in this newsletter. Copies of the survey will also be available at Nov. 2nd Resource Day and will be included in the results. All completed surveys must be handed in by the end of the meeting on Nov. 2nd. Next month, we'll let you know what you told us you want the program committee to provide

To Bee or Not to Bee (Quilt Bee, that is....)

2014 will be an off-year for our Quilt Show. In past years, the SCQG has had a two-day Quilt Bee, during which time a number of charity quilts have been produced. Sometimes, these were wonderful quilts and sometimes, it has been reported, the products of the Bee were of less than wonderful quality. At your executives' most recent meeting, a discussion arose over whether or not to continue this activity.

On the positive side (Yes, let's do it!) some of the following points were raised:

- It is fun.
- It is an opportunity to get to know other members better!
- It takes the pressure off individuals to produce charity quilts.
- Many hands make light work.

On the other side (No, let's not!) some other thoughts were raised:

- It is costly to rent a hall.
- The fabric was low quality.
- It takes a lot of organizing.

So, since your executive felt that all members should have some input into the decision making, we have come up with this scenario. We would have several teams of members who could do the following:

1. Check over the fabric donations for quality - all good quilting cotton, etc.
2. Sort the donated fabric by color
3. Choose patterns or a Block design for all the quilts to be made.
4. Create kits from the fabric.

Then, when the Bee begins, each member would have a clear idea of what is expected and then QUILT ON!

None of the above is written in stone!!!

At our next Resource Day, we would like to have a discussion about this topic. I would really appreciate members talking this over in satellite groups, with your buddies over coffee, or just mulling it over yourself in preparation for that discussion.

Thank you all, I will look forward to a stimulating discussion.

S.C.Q.G. Resource Day Minutes
September 28, 2013
Holy Family Church Hall, Sechelt, BC

Past-President Lois Anderson called the meeting to order at 11:00 a.m. and gave an overview of the September 2012 to May 2013 Guild year. She then introduced the new executive, including incoming President, Jeannette Lucas, who presented Lois with her Past-President's pin.

President's Report: Jeannette asked for a motion to accept the May minutes: moved by Marie Malcolm, seconded by Carol Adams. Carried.

New Business: Jeannette asked for three volunteers to help Louise and Ada with the Program Committee. Anne Willis, Anne Selder and Judi Wilson have volunteered.

Jeannette then asked for a volunteer to coordinate bus trips. As no volunteer came forward, this request will be carried over to the next Guild meeting.

Jeannette presented this year's Proposed Budget, which was reviewed with members. Lois made a motion to accept the Proposed Budget. Quite a bit of discussion was had regarding general and executive insurance. Lois will request that her insurance contact person come and speak with members. The motion was seconded by Martha Tatman. Carried.

Treasurer's Report: In Priscilla's absence, Lee gave the Treasurer's Report noting the net Quilt Show income as well as the Raffle Quilt income.

Carol Bowie requested that someone make application for the Agnes Boal award, as outlined in the Canadian Quilter magazine. Merilee will undertake to do this online.

Comfort Society: Carol Adams states that Fibre Expressions will provide batting free of charge for the baby quilts being made for donation to St. Mary's Hospital.

Block of the Month: Won by Donna Thompson and Kim Thompson.

Membership: Sandy reports 2 new members and 2 guests today. Door prize winners were: Jean Minch, Joanne Segate, Liz Lacey, Anne Willis and Merrilee Baldock.

Newsletter: Deadline for the next issue is October 9th. Linda reminded everyone that our next meeting is November 2nd. She is still seeking a replacement for her position as editor.

Library: Maria told members to avoid late fees by phoning her at home to renew borrowed books. She would like another library volunteer.

Program: Fat quarter draws were won by: Jean Bowering and Bev VanZandt.

Resource Day Minutes continued – page 2

Mini Workshops: Ada says to watch the newsletter for a planned November 2nd workshop and for that on November 30th, Gail Reichert will have tallied the Member Survey results and will give her report.

Website: In Sheila's absence, Fay requests that any member having Guild pictures submit them to Sheila, who will scan and return them very quickly. Fay and Sheila are putting together a Guild History. Pictures from past retreats, quilt bees, and particularly any from Brackendale, will be documented. Any past Guild information should be passed on to Sheila MacDonald.

Jeannette asked Judi Wilson to speak about her experiences making her quilt and winning an award at CQA. Members absent from the September meeting can view Judi's quilt in the last Canadian Quilter magazine.

Show & Tell

Retreat: Jean Minch says that Vivian Kapusta's class is full, but there are still spaces available in Paul Krampitz's class and Sandy Barrett's class. On the Friday evening of Retreat, Vivian will give a trunk show and talk. Non-registered members may attend for \$5.00.

Program: Louise introduced member Sherri Coulthard, who spoke about her sewing and quilting experiences over the last many years. Sherri brought samples of quilts from her first (when she decided she was never going to quilt) to present projects she is quilting for her customers. It was a pleasure to view Sherri's exceptional works.

Mission Statement

- The purpose of the Sunshine Coast Quilters' Guild is to promote the joy of quilting to the Sunshine Coast, and to provide for the community's enjoyment, through quilt shows, classes, demonstrations and displays.
- To provide an umbrella guild for the various satellite quilting groups offering resource days which include workshops, demonstrations, education and guest speakers.
- The guild shall be a non-profit society.
- The Guild's mission is to provide members with ongoing education, opportunities to share quilting experiences and knowledge, and an opportunity to provide community service. The smaller quilting groups on the coast also provide a strong focus for the many quilters with regard to these goals. Maximizing connections between the Guild and the small groups helps share some of the energy and enthusiasm

S. C. Q. G. EXECUTIVE MEETING
September 28, 2013
Holy Family Church Hall, Sechelt, BC

In attendance:

Jeannette Lucas
Merilee Martell
Lois Anderson
Kathleen Bezaire

Lee Ewing
Linda Kummer
Helen Bailey
Carol Bowie

Louise Keats
Ada Yeo
Sandra LeHeup

Moved by Helen Bailey, seconded by Louise Keats, that the minutes of the September 23rd Executive Planning meeting be accepted with the addition of Joan Harvey's name as a Program Committee member.
CARRIED

Jeannette will write a message for the October newsletter regarding a **Quilt Bee**. We discussed having a few committees for this project – perhaps one for accepting fabric, one for colour coordinating, one for putting kits together, etc.

Jeannette explained the “**Walk to Brock**,” which will start at Mile 0 in Victoria and finish in St. Catharines, Ontario via Inuvik. Carol will ask CQA for permission to reproduce an article from their latest magazine to include in our newsletter so that all members are aware of this project.

Bus Trips still needs a coordinator. Discussion ensued regarding this position and perhaps trying to put a committee of members to do this job.

Lee disagreed with how the **Block of the Month** purchasing was done, and it was agreed that Debbie does not have to purchase fabric using the credit accounts with each Coast quilt store. Lois has developed an accounting sheet for Debbie's submission to the Treasurer.

Hands Across the Water will be hosted on the Sunshine Coast on October 25, 2014. Jeannette will ask for committee volunteers to start the planning process.

Lois states that our insurance needs must be finalized by the November meeting, and she will request that her contact, Colin, attend the meeting to explain the insurance coverage and answer questions.

Carol Adams made a motion to remove the blank cards showing the Guild logo on the front from Merchandise, and to shift any money previously made from the sale of the cards to other revenue. Seconded by Helen Bailey.
CARRIED

We will need to add the date on which an elected office becomes effective after elections, to our Bylaws.

Meeting adjourned at 3:05 p.m.

SUNSHINE COAST COMFORT SOCIETY

October 2013 Newsletter

2013-2014 – Comfort Quilts: Carol Adams, Karen Biddlecombe, Sue Lowell,
and Marian Williamson

The baby quilts our members have donated to St. Mary's Hospital for all newborn babies born in 2013 have been very well received. Our goal will be to fulfil our commitment to continue to donate baby quilts until year end.

Our Comfort Society would like the membership to consider giving quilts to the residents of Sumac Place. This is a new facility on Kiwanis Way in Gibsons and is a recovery home for people with mental illness. We could have a "Quilt Bee" (see page 3) to start this process and we will be talking about this in the New Year.

We have had great success this past year with members bringing fabric to our monthly meetings for other members to take home to make quilts. We will have batting at our next Resource Day to continue this project.

Our Comfort Society members are still working on a new system to help a student in a Fibre Arts Program who would receive an annual bursary from us. Capilano University is not offering this Course anymore. We will keep our members up-to-date on this process.

Keep up the good work you have done for our community on the Sunshine Coast.

"JOY THROUGH GIVING = CREATING MEMORIES FOR OTHERS TO ENJOY"

Reminder to all our membership that due to our retreat on the last weekend in October, our October Resource Day is on Saturday, November 2nd, 2013.

Stitch Across Canada Challenge

by Jackie White

WE DID IT!!!

We stitched right across Canada, from Newfoundland to the 'Mile 0' sign in Victoria, BC.

Thank you to everyone who participated, from quilting a placemat to a king-sized quilt...every inch counted. Give yourself

and your guild a pat on the back because you guys are awesome!

The distance across the country was 307,929,600 inches. From the start you went gangbusters. As we drew close to the end, quilters really got on board. Emails from the inch collectors would come in stating totals, then a day later another email from the same inch collector would come

in saying someone just finished a quilt and sent in their inches, please add it to the total! How awesome and dedicated you all were to give us every last inch you created.

Do you want to know what the final inch tally was? Hold on to your needles...it was 307,929,687.5 inches! Love those guilds that even count that 1/2"!

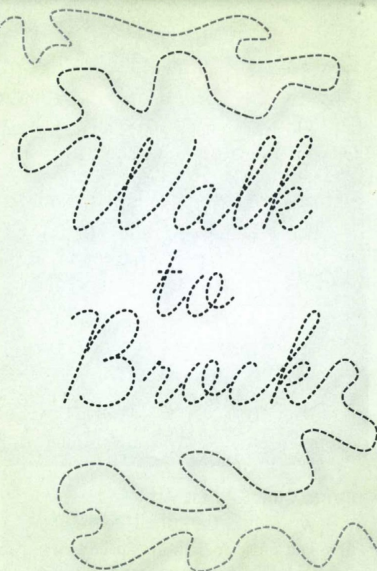

The Canadian Quilters' Association / Association canadienne de la courtépointe
presents

We did it once, let's do it again! Last year's "How Far Can You Stitch" was so much fun we want to stitch from Mile Zero in Victoria to Brock University in St. Catharines, the home of *Quilt Canada 2014*. But to make it a REAL challenge, we will visit our Regional Representative, Shona Barbour, and her quilting friends in Inuvik, NT, along the way. Yikes! This represents a mere 106,007,412 inches more than our last challenge.

This challenge is open to all member guilds and individual members. Our goal is to use the accumulated inches that we Canadian quilters can sew in 6 months to plot our progress as we walk to Brock. This challenge runs from September 1, 2013 until March 31, 2014.

We are counting on your guild to keep track of the perimeter of each quilt shown at

Show and Tell/Share at your meetings then send in a monthly total to the Director at Large (directoratlarge@canadianquilter.com).

What to do

- Have your guild members measure the circumference of their projects before meetings so that your "Inch Collector" can readily have them;
- if you are an individual member and do not belong to a guild measure the circumference of your quilts and send the inches to the Director at Large;
- send a monthly total, on the 25th of the month, to the Director at Large and we will keep track of the inches across the country; and
- watch for a monthly progress report posted on the CQA/ACC blog.

Bits and Threads

- Perhaps you could run a contest in your guild to see who quilts the furthest.
- Take photos of your accomplishments and share them with us!
- Google maps says this is a 142-hour car ride. The total distance from Victoria, BC to St. Catharines, ON via Inuvik, NT is 10,514 kilometres which equals 413,937,012 inches.

History

The Board of Directors selected the month of May as the *Canadian Quilt Month* to coincide with the annual *Quilt Canada*, which is traditionally held in May. To celebrate *Quilt Month* the Board of Directors initiated the first challenge in 2010.

Paul Krampitz –
His Quilting Journey from Traditional to Modern

The Textile Arts Guild of Richmond (TAGOR) is pleased to invite your members to join us as we follow along with Paul on his 25 year journey from being a traditionalist to becoming a modern quilt maker through his story and trunk show. Even though his passion is in the modern quilt movement he says, “My prized possessions are two quilts that my Grandma from West Virginia made about 70 years ago.” His trunk show promises to be very entertaining. He is a current member of the Vancouver Modern Quilt Guild.
