## **PRESIDENT'S REPORT—** Rojean Trent

Dear Quilters,

I first of all have to recognize the outstanding job many of our quilters have done in providing bags, caps and masks to our local health providers. Three big cheers!

Also our Program committee has been working hard to create a program for next year, should all go well. They have been very flexible and accommodating during this upheaval. Thanks!

Quilting during quarantine has taught me a few new insights into myself. I easily give up on a project if it isn't working out the way I think it should. I have been digging up UFOs only to realize that I gave up too soon on the project. I would get stuck on: how to quilt it, or what border works. Sometimes it was a matter of taking it apart to fix an error. But at the time, I realized, I just gave up and put it aside to start something new. I also realized that once I learn a technique, I put it aside and move on to something else. Soooooo, many UFOs are just sitting there waiting for a little attention.

The realization that it is a waste not to finish is keeping me motivated. My daughter has a new large pillow from a baby quilt she started in High School. I have a new Valentines runner. Gave twin size quilts to two little girls who have been waiting forever! Thanks to a little help from a friend. So my point is, just keep going and push through the walls that come up. Ask for advice, get a long arm quilter to quilt it, make it smaller, find a use that works now and above all, don't be so hard on yourself if construction isn't going how you planned. Make a new plan!

Keep on quilting! Should be a fantastic show and tell our first meeting back togeth-

NEXT MEETING SEPT.26TH, 2020

SUNSHINE COAST QUILTERS' GUILD

Jane Macdonald of the Hospital Foundation was very impressed by the sheer number of masks, caps and bags made by both Aux. and Guild members! I've talked to Jane since this final drop off; the ER Head Nurse has 2 assistants who coordinate giving out the items and arranges for on site sanitation of them. This has assisted our Hospital Staff who need the items, in getting them and having confidence in using them. Congratulations and thanks to all those who participated! Karen B.

**NEW SEWING PROJECT!** For those who wish to participate, the Quilters Guild would like those making masks to make a couple extra and bring them to the September meeting so that those who do not have a mask will have something to wear when entering into the meeting hall. Contact: Karen Biddlecombe [karen@klbhr.ca](mailto:karen@klbhr.ca) for further details and information.

From Laurie C. - Shorncliffe Village/ Totem Lodge/2nd South - THANK YOU SO MUCH for thinking of us and arranging the troops to do such beautiful work. The staff LOVED it! They were excited to get to look at all the beautiful fabric and then select.  
 ← Shorncliffe with their favourites.

Lois A. - another fun quilt to make for the babies.

← Totem staff with their selections

Our daughter, Sydney was born April 2nd at the Sechelt hospital. Thank you sooooo much for the wonderful gift of a handmade quilt. We love that you offer these for babies born here.

I've included a picture of the quilt made by Vera for her to see baby enjoying some tummy time.  
 Lauren & Dave McEwen

Lois A. - My niece has 3 daughters - mind you the youngest is 3 months but the older two have three dolls between them. So to ease boredom I am making doll clothes - one outfit for each doll every 5 to 7 days. I forgot to take pictures of the dresses that I have already sent. I have two more outfits cut out and then I will be done.

Sue L. - leader /ender layout. A baby quilt for the Comfort Society. Stash fabric some from Alaska circa 2007, sewn as a group project with my work girlfriends.

## COMFORT SOCIETY

Thanks to all members who have been sending us comfort quilts. We now have 14 quilts ready for Yew and Thyme Transition Centres. They will be delivered once the COVID-19 restrictions are lifted.

As well we have a call in to Sumac Place to deliver 28 quilts to them. Good job - we met our challenge here.

We are, however, still needing baby quilts to last over the summer months and we know there are probably more out there. **We are going to be available for you to drop off a quilt at the church parking lot on May 30th, Saturday, from 10 to Noon.** This would have been our last Resource Day for this year.

We will bring batting & backing as well as a supply of fabric ( you can contact us before hand with the size you need and we will pre-cut for you). Contact Lynda White 604 741-9901. Remember our social distancing!

**CQA Report** Visit the CQA website for details on challenges presented for CQA 2020. [canadianquilter.com](http://canadianquilter.com) Margaret Kurys, SCQG CQA Rep

CQA 2020 HAS BEEN CANCELLED, SEE WEBSITE FOR UPDATES but note that CQA is scheduled to be in VANCOUVER for 2022

Marian W - Heather and kids in masks along with Rich in his mask.

Many of the Guild members know of Martha - Aux member and friend to many. Showing off her lovely mask.

Two lovely sisters! Here is Marg K and sister Elaine modelling the masks given to them by Jennifer Love.

Marg K. - working on building up the "I Spy" selections ... no pattern. I'll figure that out as I go!

Flo L. - Laura Heines "A Perfect Form". Glad it's done! A lot of work!

Darlene F. - A Quilt for Comfort Society.

Carol D. - Currently in progress: Oh Canada quilt. (kit purchased on our bus trip to Dragonfly)

Carol B. - Gecko duvet cover has been 'undug' from my unfinished projects pile.

The Square in a Square needs one more block finished - also in progress for a long time.

The sympathy card for Sherwood is for the family of this man I have known since 1956.

I loved looking for the first two to begin working on them again, stimulated by your request for photos for the May newsletter.

Pam F. -  
what I have  
been up to

Pauline W. - The Christmas table runner and Three Kings were started by Veronica McEvoy (now deceased) and I have finished them. The Four Seasons and purple sun prints were likely started years ago by me and now I have beaded on them, which is something that I haven't done for quite some time.

Helen B. - one of the masks I have made, its made of a double layer of batik fabric. I've been amazed that I can still recognize people out and about even when wearing a mask—But a mask with sunglasses gets a lot more tricky! (and this is my Covid-self-haircut)

NEXT MEETING SEPT.26TH, 2020

SUNSHINE COAST QUILTERS' GUILD

Helen D. - I made the 37" square Poppy Quilt for the bed to go with the Poppy wall hanging, to use in November, in remembrance.

Trish S. - 3 baby quilts for the Comfort Society, a table topper, a lap quilt and a yet to be quilted lap quilt for my sister-in-law.

### **I will be suspending the opening of FibreWorks to the public until further notice.**

Fibreshed Day has been postponed and we will hold it hopefully in the summer... I will be in touch once we have more clarity as to opening dates for the 2020 season. Master Weaver Courses have been cancelled, and new spring dates for 2021 courses are being planned, I will be in touch once they are confirmed.

Over the next while you may see someone working inside the yurts or on the deck, but to keep everyone as safe as possible, visitors will not be invited inside at this time. FibreWorks will continue to offer online shopping options for you and will be shipping orders every Friday. It can also be arranged for local customers to pick up prepaid online orders onsite. The online store will be kept up to date and full of great treasures for you to explore, and until our doors are open again, there is a sitewide 20% off all orders (please use the code SHARETHELOVE). It is my hope that you choose to continue to support us and all the other small businesses on the coast, so that we can withstand this current crisis.

Any phone messages will be picked up daily and I will call you back if you are directed to the answering machine. Please be patient with call backs, and maybe include a good time to reach you in your message if you can. Please be patient with emails too – I will reply to them as soon as possible, as I am only one woman :)

It is my greatest hope to see you all back here in the near future when this crisis has been calmed and the well-being of our community is once more restored. I know that we as a community are doing our best to stay positive, while at the same time, doing our part to reduce the spread of COVID-19. With all of us working together, supporting one another, and showing kindness to each other... we will get through this.

I want to thank you so much for your understanding, support and for doing all you can to keep our community healthy. Take care of yourselves, your loved ones... I hope you are all staying healthy and safe.

CALENDAR OF EVENTS - SHOWS:

Quilt Show Week  
Paducah, KY  
Sept 2 - 5, 2020  
Schroeder Expo Centre  
415 Park Street, Paducah, KY

TIPS:

**Bias:** The first step in learning how to fold a quilt is knowing what the bias of fabric is. The bias is the cross grain of fabric and is where it has the most stretch. Typically quilt blocks are not cut or constructed on the bias, depending on the design, as doing so can cause blocks to distort when they are being stitched together. Because of this, when looking at a completed quilt the cross grain of the majority of the fabrics used to make it should run from corner to corner across the quilt.

**Folding:** Make all of the folds along the bias of the quilt, bringing in each corner to the center. It doesn't matter if your quilt is a perfect square or not, the same technique can still be used. From there you can fold the quilt in half again to make it a little smaller and easier to store. Do not try to fold the quilt too many times, as the more folds you add the more chance there is for damage or creasing.

**How to store:** Either make a pillowcase or using an old spare one to store the quilt. This will help protect it from exposure to dust, light and anything else that could harm it.

### NOTICE OF NANCY CLIME

**PASSING:** Many of the Guild members knew Nancy Clime and have known her for many years. Carol Bowie advises; Nancy and Carol and one other person, back in the first decade of this century reviewed and modified the document that the Guild uses today. We didn't touch the Constitution, but some changes were made over the years to the Policies and Procedures as well as the Bylaws. She was lovely to work with and continued to stay in touch over these years.

Even with failing health Nancy continued to Quilt and submit quilts to the Comfort Society for Community use. When the call went out for Scrub Hats, Bags and Masks Nancy contributed these also right up to the evening before she passed. There are many other stories out there about Nancy and the Guild recognizes that she was an inspiration and mentor to many.

Judi W. - I made 3 baby quilts.

Helen D. - Covid19 made me do it!

Karen B. - A Facebook Group Mystery Quilt—called Martha and a Baby quilt for the Comfort Society.

Julie A. - mask making and a cool unicorn.

Flo L. - 1st effort at a landscape quilt and a twisted nine patch I just finished.

## HISTORY

In 1982 a group of women on the Sunshine Coast got together to share their love of quilting. Pat Crucil, an accomplished quilter and teacher, established this first quilt group on the Coast.

**Today** the Sunshine Coast Quilters' Guild is the "umbrella" organization for six local community quilt groups from Pender Harbour to Gibsons, with a membership of 114. The guild promotes the joy of quilting on the Coast by providing enjoyment through quilt shows, classes, demonstrations and displays. We continue to meet eight days throughout our Guild year, from September to May at the Holy Family Parish Hall in West Sechelt (5700 Nickerson Road). Our meetings consist of Mini-Workshops, Business Meetings, Block of the Month, Show and Tell, Library and a Program.
