## President's Report—Kimala Thompson

It was AMAZING! Cathy Miller and her husband, John Bunge gave us a memorable performance at Resource Day. Hilarious songs, sad songs, songs that had you tapping your toes. It was so interesting to hear just how she became a singing quilter. The sensational sampler quilt, for the sing-along, was wonderful. It was a good test on quilt block names and how they could be turned into a song, was absolute genius. We were really sad to see that only 3 of our many absent members, tuned in for the Zoom presentation. All is not lost as Karen was able to record the presentation, so be watching for when it will get on our web-site. I haven't yet had a chance to go to Cathy's website to see the video that was made to honour "You Can Quilt That Out". It is right near the top of my to-do list for my days off.

I was so happy to correct my omission from September and present Rojean Trent with her Past President pin and thank her for all her effort on behalf of our Guild. Besides doing Sunshine this year, she is also doing a great job filling in for a Vice-president, finding lovely door-prizes that we all hope to win. Please think about volunteering for one of the still vacant positions.

Show and Tell was another "oh, I just have to try Quilt as You Go" time for me. As well as all the rest of the beautiful projects members completed, it's inspiring, for sure! The generosity of our members with their donations to the Comfort Society never fails to astound me. From all the donated material, the cutting, the pressing, the piecing, the quilting, to sewing on a label, every bit makes a difference to the final recipient being wrapped in a blanket of love.

Please remember to mark your calendar for December 1st 2020 at 7 pm. We will be holding the AGM before the start of the Zoom Board Meeting. As conditions change on the health front, we may need to make changes to how we meet. Many Guilds are only meeting by Zoom, I hope we can avoid that, but we can be prepared if that becomes a necessity. Meanwhile, the November guest speaker will be both in person at the Hall and also be a Zoom broadcast. Please tune in and then let us know how the experience was for you: if we need to make adjustments, what can be done to provide the best program.

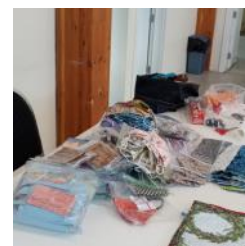

As the days get shorter and colder, keep making an effort to stay connected to those who share your passion with fabric. Think about calling some of the quilters you haven't seen for a while, let them know how important they are in your quilting journey. Stay warm and cozy.

Trunk Show.  
Hexies galore.

Yes! It's 1/4" hexies! OMG!

OCTOBER PROGRAM – Singing Quilter, Cathy Miller and her hubby, John Bunge were wonderful entertainers which the 37 attendees enjoyed immensely! The trunk show display from Cathy's early quilting years to current was a delight, she was able to communicate through her songs of Quilting which had us all engaged.

This program was captured on Zoom, with 3 Guild members attending, feedback was positive, and the Board will be discussing options in the future for more Zoom communications including engaging speakers through the Zoom platform.

**NOVEMBER 1st WORKSHOP** – Cathy Miller led 9 workshop attendees through work with fabric pieces to be able to create a sample art piece using the **Confetti Applique** method. (taught with permission of Ruth Bloomfield, Queensland, Australia). Again, the attendees were taught not only the 'art' component of making this project but were entertained by Cathy's gift of songs.

Remember to keep your largest/hardest/challenging item to item #6 as this one will not be due until May 2021.

### YEAH, the FREE TABLE is back:

Many members asked whether they could bring items for the 'free' table, the board discussed this and confirmed that yes the free table can be resumed. Rules: If what you brought doesn't go to a new home, please take it back with you. COVID protocols to be in place: Use sanitizers before touching items on the table and keep a distance from others.

## PLACEMATS – MINI PROJECT:

INTRODUCED OCT 2020: DUE NOV 2020 – will be handed over to the Aux. for distribution to Shorncliffe, Totem, 2nd Floor S and if more then off to Meals on Wheels.

**SIZING:** Typical (average) sizes are: 12" x 17", 12" x 18" or 14" x 20". Can be other shapes – Oval, Oblong, Corners angled to fit trays etc.

**FABRICS:** Mostly cotton is used, although vinyl can be used as then it is wipeable. You can make placemats stiffer if you use a fusible stabilizer. Plastic mats can trap water and some have off gassing chemicals which could affect or react to a finish on your table.

8 placemats you would need 4 yards of fabric.

You can either spray starch or use best press to finish.

**BINDING:** There are options for bindings. Strip is typically 1 ¼" wide vs. a 2 ¼" folded. This allows for a narrow binding unless the wider binding is the look you want.

Facings are nice for placemats: Place 1 batting, then backing and then the top, right side down. You then sew leaving enough space to open (trim corners) and pull the right sides out and then do a topstitch to stop rollover.

**BATTING:** Many options available:

- Thermore – this wonderful product is an ultra thin batting.
- Iron on Fusible Fleece
- Hobbs Heirloom Fusible
- Pellon Wrap N Zap 100% Natural Cotton Batting
- Warm & Natural Cotton batting (some wash this batting 1st to have the shrinkage taken care of and allows for the pacemat to remain flat)
- Alternate: flannel sheet or cotton sheet

Types of battings not recommended as 1st choices: polyester, wool (too bulky), and felt – this can be a Yes or a No for use. Felt is a man made product vs. cotton. Some felts will separate on washing.

### QUILTING:

You can do many types of quilting. Your goal is to not have too large spaces to allow for "poofing". So even, closer (tight) quilting is recommended. QAYG is a nice method as you do all 3 layers at once. Or you can quilt the top and batting and then add the backing with overall stitches.

## COMFORT SOCIETY

October Resource Day brought in nineteen comfort quilts. Receipt and Distribution are moving along with “distribution” ahead of the game.

With another twenty-five baby quilts delivered last week, this leaves our stock of baby quilts low for distribution over the next three months.

**So if you can, let’s finish or make another baby quilt.**

We have also delivered nineteen quilts to the Health Care Auxiliary and two for raffle to Serendipity Daycare in Pender Harbour.

Thanks to all who keep bringing us quilts.

### REQUIREMENTS AND CUTTING

#### Fabrics

Yellow: one fat eighth - Cut 12 (2") squares - Cut 12 (2" x 3 1/2") rectangles	Green: one fat eighth - Cut 16 (2") squares - Cut 8 (2" x 3 1/2") rectangles	Brown: - Cut 1 (6 1/2") square
--	--	-----------------------------------

**Tools Needed:** sewing machine, rotary cutter, cutting mat, scissors, ruler, iron

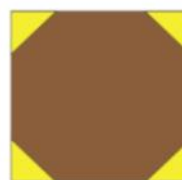

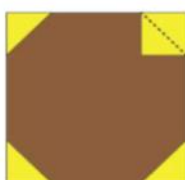

### PATTERN NOTES

- Finished block size is 12" x 12". (Unfinished block size is 12 1/2" x 12 1/2".)
- Sew with a 1/4" seam allowance.
- RST means place fabric with Right Sides Together.

### ASSEMBLY

#### 1. Flower Center Unit

Mark diagonal line on yellow square and place on corner of brown square RST. Sew along the line. Trim seam allowance to 1/4" outside the seam line. Flip and press seam allowance toward the yellow corner. Repeat for each corner. Fun fact, this is called a snowball block.

(make 1)

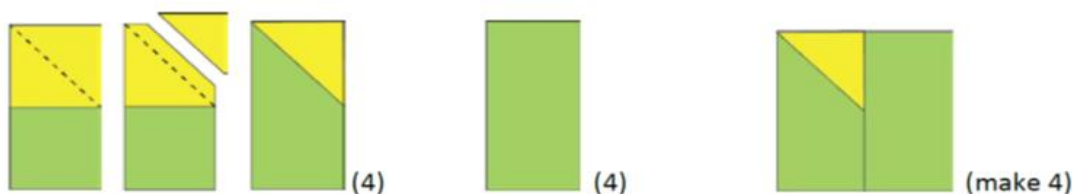

## 2. Petal Units

Mark diagonal line on green square and place on yellow rectangle RST as shown. Sew along the line. Trim seam allowance to 1/4" outside the seam line. Flip and press seam allowance toward the green corner. Repeat with each of the twelve yellow rectangles. Sew a green square to a yellow square and press toward the yellow square. Make four. Assemble four petal units as shown below and press seam allowances to the right.

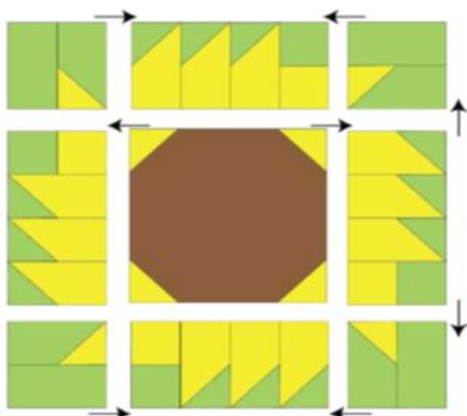

## 3. Corner Units

Mark diagonal line on yellow square and place on green rectangle RST as shown. Sew along the line. Trim seam allowance to 1/4" outside the seam line. Flip and press seam allowance toward the yellow corner. Repeat with each of four green rectangles. Assemble four corner units as shown below and press seam allowances to the right.

## 4. Assemble Block

Lay out units as shown below. Sew units into three rows, then sew the rows together. Follow arrows in the diagram for pressing directions. Trim block to 12 1/2" square.

### TIPS FOR FLIPPED CORNERS

- ✓ Sew slightly outside the marked diagonal to allow for the fold. This will help your flipped corners line up correctly.
- ✓ Test the flipped corners before you trim!

## Scrap Management *by Sue Lowell*

Scrap, a noun

- 1. a small piece or amount of something, especially one that is left over after the greater part has been used

Inherent in this definition is the concept that the leftover bit has value. I have discovered over time that my interpretation of the value of individual scraps of fabric has varied greatly – some pieces are purely sentimental as they evoke a memory, some pieces are bits of EXPENSIVE fabric, while others are just lovely and too nice to throw out.

The process of quilting usually involves small pieces of fabric – and the leftovers from a project are still small bits of fabric that should find a home in a future project. At least that's the way a scrap collection begins. Over time the scrap pile can get quite large and needs to be dealt with. Also, the size of a scrap is highly individual before it moves to the trash pile, or in the case of many, to a cat/dog bed destined for the SPCA. "Waste not, want not" the saying goes....

There are loads of suggestions about how to organize your scraps – I thought I would give you a peek into my system. It works for me in my studio space, and has evolved over time.

I have a set of 9 clear bins, with lids, that stack on a shelf in my cupboard. Clear is an essential design requirement so that I can quickly see which one to pull. When (not if) a bin is full, then I will do another cull and some of those bits land in the "cat bag", or cut into 2 ½ inch squares for leader/ender projects.

I have six colour bins (yellow/brown, blue/purple, red/orange, green, light neutrals and dark neutrals), one for strips destined for string piecing, one with cute children fabrics suitable for fussy cutting, and a bin of landscape prints. Sometimes I wish I had more bins to better reflect the colour wheel, and save smaller pieces - but I do need to mind my space.

When I finish a project and have leftovers to deal with my process goes something like this:

Quarter yard or greater pieces back into the regular stash. Strips less than 2 ½" into the string bin, 2 ½" strips or bits of that size recut into squares and put into the leader/ender box, remainder sorted by colour. IF the colour box is nearing capacity – then a session of 2 ½" square cutting happens. Small bits, really ugly stuff and lower quality bits – into the "cat bag".

As I try out new quilt techniques, I have found that there is still plenty of valuable fabric in those boxes! I recently attended the Confetti Quilting workshop – and didn't make even the smallest dent into my scrap boxes. Making post-cards, well that's another rabbit hole altogether.

You may also want to take a look at the Scrap User System devised by Bonnie Hunter ([quiltville.com](http://quiltville.com)). I suspect she has a huge space for storage, and perhaps shares in Rubbermaid or Sterilite.

Sew on,

Sue

**Program:** There was a discussion of the use of Zoom for the Program part of the meeting. A discussion of sale tables during a meeting was discussed. It would probably work well in January as there is no speaker booked for that meeting. 170 masks were collected. 4 more Quilt As You Go were turned in.

**Newsletter:** Due November 6.

The general meeting agenda could be tightened up as there was too much time between events. The opening time could be later.

Meeting adjourned at 8:20

**HAVE YOUR SAY! Please consider volunteering for the few vacant positions!**

**Vice President:** as VP you get to choose and buy, with guild money!, all the door prizes! Book the church dates. Support the president. You also collaborate with the executive to create a wonderful and exciting experience for all guild members.

**Library:** Help to choose books for the library. Help return and lend books at Resource Day. There is a safe system in place during Covid-19 to do this, but it does require more help on the day. The library is an invaluable resource for our members. It ensures the education of us all as well as inspire us to create and try new techniques or patterns. This is an important contribution.

**Retreat:** Social gatherings right now are not going to happen but, I wondered if a Zoom retreat would be possible? It would be an amazing opportunity to create this experience for members who just can't get out at this time. Please consider taking this on with a team.

**Youth Liaison:** Now, more than ever, youth need a creative outlet. Working with schools and girls clubs to enhance their existing programs would be making a difference in young lives. Consider being that team!

**Program:** Did you know that the Program Committee influences the direction of the guild, inspires us and our learning outcomes. This is a great team of members who want to share ideas and make things happen. Sound like a team you want to join? They are always looking for new team members! Call me!

## HISTORY

**In 1982** a group of women on the Sunshine Coast got together to share their love of quilting. Pat Crucil, an accomplished quilter and teacher, established this first quilt group on the Coast.

**Today** the Sunshine Coast Quilters' Guild is the "umbrella" organization for six local community quilt groups from Pender Harbour to Gibsons, with a membership of 114. The guild promotes the joy of quilting on the Coast by providing enjoyment through quilt shows, classes, demonstrations and displays. We continue to meet eight days throughout our Guild year, from September to May at the Holy Family Parish Hall in West Sechelt (5700 Nickerson Road). Our meetings consist of Mini-Workshops, Business Meetings, Block of the Month, Show and Tell, Library and a Program.

### MISSION STATEMENT

The purpose of the Sunshine Coast Quilters' Guild is to promote the joy of quilting to the Sunshine Coast and to provide for the community's enjoyment through quilt shows, classes, demonstrations and displays.

To provide an "Umbrella Guild" for the various satellite quilting groups offering Resource Days which include workshops, demonstrations, education and speakers.

The Guild shall be a non-profit society.

The Guild's mission is to provide members with ongoing education, opportunities to share quilting experiences and knowledge, and an opportunity to provide community service. The smaller quilting groups on the Coast also provide a strong focus for the many quilters with regard to these goals. Maximizing connections between the Guild and the small groups helps share some of the energy and enthusiasm.
