

Sunshine Coast Quilt Bee 2024
April 6 and 7
Sechelt Seniors Center

We are trying something a little different this time. We have asked members to pre-make and quilt the blocks. At the quilt 'Bee' we will be adding the sashing that actually joins the blocks together. We have several patterns on the go now with 4 or 5 that will be ready for Jan. Some of the patterns we are using are:

Attic Window Dog
10 inch block

Appliqued Cat
9 ½ by 10 ½ inches

Black and White
14 ½ inch block
This block is also being done in blues with a yellow accent

Spiders Web
14 ½ inch block

Florals
12 by 17 inch block

These are also being done in **Colors** - variety of blue in one purple or green in another. Anything within one color range

Modern Pattern
12 ½ inch block
