

**Welcome back to [Gibsons Family Network \(GFN\)](#)!**

This group provides our Quilt Show visitors with on-site refreshments and a place to relax during the event.

Since 2004, this local non-profit has helped people with developmental disabilities have meaningful employment as citizens in our community.

Achieving charitable status in 2007, they continue to provide essential support to Sunshine Coast families and support community events like our show.

**Find the tearoom on the UPPER level,  
just up the stairs from the main entry.**

**Grab a beverage, enjoy a treat or tasty tea sandwiches,  
and say thanks to the cheerful GFN crew!**

**With thanks, from the  
Sunshine Coast Quilters Guild!**
